Commitment to good governance

Our service has adopted the following eight ASX Corporate Governance Principles and Recommendations, which we recognise as suitable for our business

1. Lay solid foundations for management and oversight.

Management Principles

To ensure our working relationships are characterised by open and respectful communication, accountability and trust our service adheres to the following management principles.

A. Management by Agreement

Nominated Supervisor and educators agree to produce outcomes together. Educators agree on their accountabilities and to work according to existing procedures and policies. Nominated Supervisor agrees to provide educators with training, resources and support.

B. Management by Exception

Once a system is in place or the Nominated Supervisor and educators have agreed upon a course of action, the educator is accountable for identifying and reporting whenever something significant occurs that isn't part of the plan.

C. Clearly Defined Reporting Relationships

Everyone in the Service has only one primary manager. This reduces confusion and increases accountability and transparency.

Information, requests, or delegations that would cause our educators/staff to take action or change the course of their actions will only come from the person to whom they report.

Our reporting relationships are:

- Persons with management or control of the service, including the Nominated Supervisor, report to the Approved Provider
- Persons responsible for the day to day operation of the service, including the Person in Day to Day Charge of the service, report to the Nominated Supervisor
- Persons appointed as contacts for Child Care Subsidy purposes report to the Nominated Supervisor
- Each Room Leader reports to the Nominated Supervisor.
- Educators report to their Room Leader
- All reporting relationships are clearly outlined in our service's Delegations & Responsibilities Policy

D. Guidelines for Effective Delegation

Our service will:

- identify the work to delegate and to whom
Educators/staff will not delegate responsibilities for which they are accountable for or work that have been delegated to them with their agreement or work attached to someone else's position (unless that person has agreed).
- put the delegation in writing with a clear due date
- discuss the delegation with the educator/staff member whenever possible
- get the educator/staff member's agreement for example through signed job descriptions, signed delegation agreements.

The person who delegates remains accountable for making sure the right result is achieved.

E. Guidelines for Effective Regulation

Our service will:

- identify the work/result to delegate and to whom
Educators/staff will not delegate responsibilities for which they are accountable or work/results that have been delegated to them with their agreement or work/results attached to someone else's position (unless that person has agreed).
- put the delegation in writing with a clear due date
- discuss the delegation with the educator/staff member whenever possible
- get the educator/staff member's agreement for example through signed job descriptions, signed delegation agreements.

The person who delegates remains accountable for making sure the right result is achieved.

2. Structure the management team to add value

To comply with these principles to the best of our ability and to ensure we can discuss issues and (potential) changes to policies, procedures or the regulatory environment, we will schedule regular communication between all members of our management team through meetings, phone communication including SMS messaging, a communication book, written communication such as letters, notices, and electronic communication including email, Skype, Zoom or MS Teams video conferencing.

3. Promote ethical and responsible decision-making

Our service will make decisions which are consistent with our policies, our obligations and requirements under the national education and care law and regulations, the Family Assistance Law (eg Child Care Subsidy and Additional Child Care Subsidy), our approved learning framework (EYLF) and the ethical standards in our code of conduct.

4. Safeguard integrity in financial reporting
